

1 Log in to the Cloud Branch on your home computer and select 'e-Alerts' in menu on the left

2 Select the appropriate Alert then press 'Submit'

1. Toggle E-mail, Text alerts, or both
2. Check the box(es) to enable an alert type
3. Define the amounts or check number if applicable

Notice: e-mail alerts are sent to e-mail on file. If choosing a text alert, you must specify the phone number, carrier, and verify the activation code you send to your phone to for security purposes.

1 Notify via : Email SMS (Text Message)
